# SPLASH PAGE
BRANDING OPPORTUNITIES

Wireless Buyouts are an excellent way to leverage client branding!
All Wireless Buyouts and Hotspot purchases include one splash page template.

Step 1: Choose a design template

Template A
Without a background

Template B
With a background

- Includes logo, text and colors with optional background
- Responsive and mobile friendly
- Optional password protection
- Custom text on "Connect" button for unique experience

Step 2: Submit images

Template A and B
Logo Image
1000 pixels wide
JPG or PNG format

Template B
Separate Background Image
1200 pixels wide
JPG or PNG format

- Files should not exceed 1 MB
- Logo and background must be provided as separate files
- When using a background, a logo with a transparent background is preferred

Helpful tips

Background images scale based on the device screen size and imagery may be cropped.

Do not include a connect or password field on your image.
